MEMO PERD #20/97  
July 8, 1997

**MEMORANDUM**

TO: All State Agencies  
ATTN: Designee for Compensation Schedule Distribution  
FROM: Sharon P. Murphy, Director  
Department of Personnel  
SUBJECT: COMPENSATION SCHEDULES AND PAY ADJUSTMENTS

The classified and unclassified compensation schedules have been revised effective July 1, 1997, to reflect pay increases authorized by SB493, SB496 and AB665. Compensation schedules have also been revised to reflect a retirement rate increase for employees in the police/fire retirement fund. There is no increase in the contribution rates for regular members of the Retirement System.

The retirement rate increases from 14% to 14.75% for police/fire employees on Classified and Unclassified Employee/Employer Paid Compensation Schedules. Because this increase is effective the first reporting period in July, only the classified and unclassified Employee/Employer Paid Schedules for July 1997, which reflects the 14.75% rate, have been sent to you. The rate increase for police/fire employees is noted at the bottom of these schedules.

The retirement rate for employees on the Police/Fire Employer Paid Retirement Schedule increased from 27% to 28.5% on the first reporting period for retirement in July. Agencies with employees on the Police/Fire Employer Paid Retirement Schedule will receive compensation schedules for July 1997, reflecting the 28.5% rate. The police/fire employees on the enclosed Unclassified Employer Paid Schedule were also affected by this increase. If you wish to have a copy of either of these schedules for July 1, 1997, reflecting the 27% rate, please call Marta Alvarez at 687-3719.

July 8, 1997

Page 2

The remaining schedules, including the Classified Employer Paid Schedule, have no change in the retirement rate. These schedules reflect the implementation date of the pay increase which is effective July 1, 1997.

Finally, special salary adjustments have been authorized by the Legislature for information services, law enforcement, parole and probation and medical classes. For your information, a list of the classes affected including the grade adjustments is enclosed.

If you have any questions regarding this information, please call Phil Hauck at 687-4053.
